Individualisation of each label: P.O.A.

Important Notes

- Prices include: bottle, cap, water, custom labels and packaging
- Label design additional - we have several design packages available starting at \$85
- Freight charges will apply - please check with your account manager
- Water is sourced from a premium natural spring in the North Island
- 24 bottles per case. 91 cases per pallet (350ml), 60 cases per pallet (500ml), 42 cases per pallet (750ml)
- Flat cap available in black or white colours.
- Prices are in NZD and are +GST
- Please contact us to discuss larger quantities and/or ongoing supply arrangements.

Digital labels

All orders have labels printed with digital (CMYK) printing technology which is the most cost effective, produces good results and allows for fast turn around time - 2 weeks is standard but we can sometimes accommodate quicker turnaround if required.

Label Sizes

350ml - 60mm x 140mm 500ml - 75mm x 140mm 750ml - 55mm x 170mm

Spec sheets for label setup as well as our artwork spec sheet are available for download on the labels page of our website
